

KYZ METERING REQUEST FORM

Complete the top section of this request form and mail to:

**Loveland Water and Power
Attn: Electric Meter Supervisor
200 N. Wilson Ave
Loveland, CO 80537**

Or email to:

PowerDevelopment@cityofloveland.org

Upon receipt of this form and payment of any required fees, the Electric Meter Group will install a kyz meter and isolation relay. Notification will be sent to the contact person indicated below when the isolation relay has been installed and the location is ready for the customer’s contractor to tie in the EMS.

NOTE: The relay will not be energized until the electric Meter group has been notified that the customer’s contractor has wired the relay output to the EMS. Contact the Electric Meter group at (970) 962-3582 after wiring has been completed.
