

**Distributed Energy Resources (DER)  
CUSTOMER AUTHORIZATION FORM - RESIDENTIAL**

VERSION  
20240131

Submit Completed Form and Attachments to: [der@cityofloveland.org](mailto:der@cityofloveland.org)  
Missing or incomplete items may result in a delay in processing your application request.

The sections below are to be reviewed by the Property Owner or Authorized Signatory\*. Please carefully read and provide your signature on the bottom of the page.

**CONTRACTOR**

Company Name: \_\_\_\_\_

**CUSTOMER AUTHORIZATION**

- I hereby appoint and authorize the contractor listed to act on my behalf in all manners relating to my Distributed Energy Resources (DER) application, including but not limited to, the authority to (i) request, access, and receive directly from Loveland Electric Utility, on my behalf, all information and documentation relating to my proposed project.
- This Authorization shall remain in effect until Loveland Electric Utility receipt of written termination of such Authorization by Customer or resubmittal of an updated Customer Authorization Form.
- I acknowledge that this authorization is granted for the sole purpose of my application, and for managing questions related to the DER system post-installation. Utility service information outside of the DER system is not included in this Authorization, unless said information directly affects processing of my application. I understand that a new form must be submitted if I change my installing contractor.

**ACKNOWLEDGEMENTS**

- The existing meter socket is in sound operating condition, or it will be by the time permission to operate the proposed system is granted, and I understand that I am responsible for any upgrades necessary to meet current City of Loveland building and municipal code requirements.
- I understand that if applicable, proof of insurance may be required prior to execution of the interconnection agreement.
- I agree not to interconnect and operate this proposed system without prior written approval from Loveland Electric Utility.
- The inverters used for this system will be compliant with all of Loveland Electric Utility’s current Requirements for Electric Service and I understand that proof of compliance with these Requirements may be necessary prior to the execution of the Interconnection Agreement.
- As the Technical Review of the proposed system may require a no-cost Supplemental Review, I pre-authorize a Supplemental Review.

By signing below, I certify that, to the best of my knowledge, all the information provided in this submission is true and correct.

Signature of Authorized Signatory\*: \_\_\_\_\_
